**This report and its contents are copyright and strictly confidential. This report is not for public distribution and may not be reproduced or redistributed in part or whole without prior written permission from Adamas Intelligence Inc. (“Adamas Intelligence”).**

This report is for private internal use of the person or company that licenses it and may not be shared, co-licensed, or distributed among consortiums or multi-company organizations. The report may not be re-sold, reverse engineered or used to derive similar reports, data or information for distribution outside of the client company.

Apart from any use as permitted by law, all rights pertaining to this publication are reserved by Adamas Intelligence and associated copyrights are strictly and legally enforced. This report is watermarked with the licensee’s name, company, and e-mail address to help Adamas Intelligence protect and enforce its copyrights.

This report is provided for information purposes only. It is not a complete survey of every material fact respecting any company, project, resource, reserve, mine, market, end-use, application, product or nation. This report has been prepared in good faith on the basis of information available up to 30 days prior to the date of publication without independent verification, unless specified otherwise.

The information provided in this report is from primary research, secondary research, and other sources, which we believe to be reliable. Efforts have been made to try and ensure the accuracy of the data and information contained in this report, however, Adamas Intelligence does not guarantee or warrant the accuracy, reliability, completeness, or currency of the information in this report.

Readers are responsible for assessing the relevance and accuracy of the contents of this report. Adamas Intelligence will not be liable for any loss, damage, cost, or expense incurred or arising by any reason of any person or business using or relying on information, statistics, forecasts, estimates, or opinions stated in this publication. Companies, mines, or other facilities may be identified by proprietary or trade names herein to help readers identify particular companies, mines, or facilities but this is not, and is not intended to be, an endorsement or recommendation of the mine, facility, or company referred to, unless explicitly stated.

This report contains “forward-looking statements” – that is, statements related to future events. In this report, forward-looking statements address our expectations of future rare earth production, supply, demand, consumption, and prices within parameters defined by stated scenarios, and often contain words such as “forecast”, “project”, “expect,” “anticipate,” “intend,” “plan,” “believe,” “seek,” “see,” or “will.” Forward-looking statements by their nature address matters that are, to different degrees, uncertain.

A number of future uncertainties exist that could cause actual results to be materially different than those expressed in our forward-looking statements. Readers are responsible for assessing the relevance and accuracy of these forward-looking statements. Adamas Intelligence will not be liable for any loss, damage, cost, or expense incurred or arising by any reason of any person or business using or relying on forward-looking statements in this report.

**All prices and values referred to herein are in U.S. dollars unless specified otherwise.**

**Due to rounding, numbers presented throughout this document may not add up precisely to the totals provided and percentages may not precisely reflect the absolute figures.**

## Table of Contents

Terminology and Abbreviations .....	15
Executive Summary .....	16
Chapter 1: Introduction .....	17
Chapter 2: Value Chain Overview .....	27
Chapter 3: Historical Global Production .....	32
Chapter 4: Historical Global Consumption .....	55
Chapter 5: Historical Production – Consumption Balance .....	75
Chapter 6: Historical Prices .....	78
Chapter 7: Forecasted Demand .....	87
Chapter 8: Forecasted Global Production .....	234
Chapter 9: Forecasted Global Production – Demand Balance .....	258
Chapter 10: Forecasted Prices .....	274
Chapter 11: Magnet Market Outlook .....	282
Appendices .....	292
